Girl...

You know I'm rarely at a loss for words, but I struggle to find the right ones to tell you how special your friendship is to me! You truly bring joy to my life every day and I look forward to being the other dot at the end of your straight line for many years to come!! ☺ —●—●

The world's largest flower garden, called "Keukenhof," is situated near Lisse, Netherlands.

You're simply priceless.  
my friend.

Happy Birthday

Love  
You  
Girl!!
