

Police Search For Serial Killer After DNA Links Victims To Same Man

Published: Aug. 31, 2006 at 5:06 PM EDT | Updated: Sep. 7, 2006 at 11:05 AM EDT

(LEXINGTON, Ky.) -- Homicide detectives in Lexington have connected three murder victims over a span of seven years to the same man.

Police released a composite sketch of the possible suspect in the deaths of Doris Roberts, Sonora Allen and Erica Butler, all from Lexington.

Investigators determined through DNA that the three women were killed by the same man.

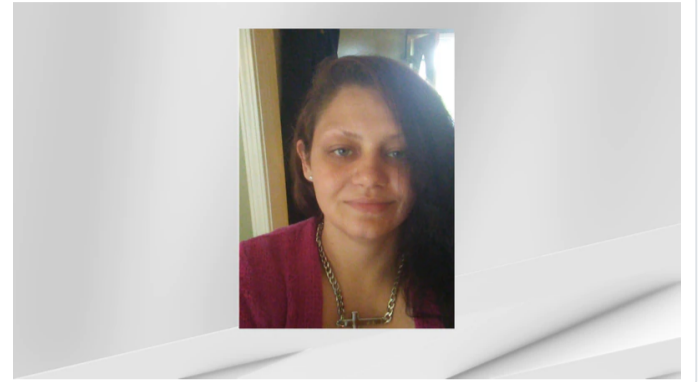

DNA evidence has been entered into national databases and checked against other unsolved cases and known offenders, but no matches have been found.
